WHICH ARE THE NEXT WALLS TO FALL?

»I loved the Lab and the Conference. The Lab is a unique opportunity, the conference truly inspiring!«

Participant 2012, University of Oxford

BECOME THE FALLING WALLS YOUNG INNOVATOR OF THE YEAR AND PARTICIPATE IN THE "MOST EXCEPTIONAL SCIENCE CONFERENCE IN THE WORLD"!

THE FALLING WALLS LAB, 8 NOVEMBER

- Present your work to fellow scholars, scientists and professionals – in 3 minutes.
- Convince a top-class jury of your ideas.
- Become the Falling Walls Young Innovator of the Year.
- Exchange insights on an interdisciplinary level and network with brilliant scientists and professionals from academia, research institutions and business.

THE FALLING WALLS CONFERENCE, 9 NOVEMBER

- Each year on 9 November, 20 internationally renowned researchers from all disciplines showcase the breakthroughs they are working on in 15-minute talks. They answer the question: Which walls will fall next and how will this affect our lives? Among the speakers are Nobel laureates, artists, heads of states and governments.
- The conference is a place of high-level exchange between science, business and other sectors of society with visitors from over 80 nations.

Who can apply

We are looking for outstanding young talents and innovators: Master students, PhD candidates, post-docs, scientists, young professionals or entrepreneurs up to 35 years.

Your Breakthrough

- Share your research work or business idea. Showcase your ideas that are relevant to society, the environment and the world.
- You have 3 minutes for your presentation.
- All disciplines are welcome.
