Travel

Taiwan is located at the crossroads of some of Asia's busiest air routes; travel to and from the island is easy and convenient. The island has three international airports: Taoyuan international Airport (TIA) (formally known as CKS International Airport) and Taipei Song-shan Airport (TSA) in the north. They are served by over 56 airlines from Asia, Europe, and North America. For information on arrival and departure schedules, please visit the TIA website: <http://www.taoyuan-airport.com/english/Index/> and TSA website: <http://www.tsa.gov.tw>
